CARRANZISTAS TAUNT U. S. TROOPS TO FIGHT

De Facto General Trevino,
Acting On Orders From
Carranza, Hurls Defiance
At Pershing Expedition

TELLS U. S. TROOPS
WHERE THEY MAY GO

Only One Direction, And
That's North, To Avoid
War, Says Trevino. Expe-
dition Should Worry

(By Review Leased Wire.)
BROWNSVILLE, Tex., June 16.—
United States troops came upon a
band of between 25 and 30 Mexican
bandits about ten miles east of San
Benito, Texas, late tonight and after
exchanging a few shots the Mexicans
scattered. It is reported three Mex-
icans were killed. So far as known
there were no American casualties.

CHIHUAHUA, Mexico, June
16.—General Jalcinto Trevino,
commanding the Carranzista
army of the north today advised
General J. J. Pershing, American
expeditionary commander, that any
movement of American
troops from their present lines
to the south, east or west, would
be considered a hostile act and a
signal to commence warfare. Gen.
Trevino acted upon direct in-
structions from General Carranza.

Another Dare.
Reports received from General Al-
fredo Ricart, constitutionalist com-
mander at Matamoros, said that he
had sent troops in pursuit of the
bandits who recently raided American
oil near San Ignacio, Texas, and who
have recrossed into Mexico. He ad-
ded that if American troops attempt
to follow them across the border he
will attack them immediately.

PERSHING PREPARED.

EL PASO, Tex., June 16.—Dis-
patches from Chihuahua City that
General Trevino had notified General
Pershing that any movement of his
command other than in a northerly
direction would be considered as a
hostile act, announced no apprehension
among army officials here tonight. It
was asserted that the expeditionary
command is amply prepared to care
for itself in any eventuality.

A compact line of communication
extending from the border at Colum-
bus, New Mexico, to Naminiqua, about
200 miles south has been drawn in
the last few weeks. Huge quantities
of food, forage, ammunition and other
supplies have been concentrated at
the field headquarters at Naminiqua
and at the field bases at El Valle
and Colonia Dublin. It was pointed
out also that beyond occasional sorties
after marauding bandits the Amer-
ican troops in Mexico have been in-
active for several weeks.

WILSON WON'T RETREAT.

WASHINGTON, June 16.—There
were no indications here tonight that
the administration's determination to
continue the campaign against band-
its in Mexico would in any way be
affected by General Trevino's report
of threat to begin hostilities if the
American troops move from their
present positions in any direction ex-
cept toward the border.

General Pershing's orders author-
ized him to "move in any direction he
deems necessary for his purpose."
There is no fear of an immediate
clash, however, for officials believe
General Pershing would avoid taking
any action that might lead to serious
consequences unless he had commu-
nicated with Washington. Late to-
night the war department had no
word from him or from any other
source to confirm the report of Gen-
eral Trevino's action. Recent troop
movements in Chihuahua state have
led officials here to fear that the de-
facto general was preparing for
some hostile move.

Mexicans Menacing.
The Mexican forces now are dis-
tributed in detachments of consid-
erable strength on two lines, converg-
ing from points near the border east
and west of General Pershing's line
and meeting at a point south of his
field base at Naminiqua. The effect
has been to enclose the American
troops in a gigantic V.

U. S. Suspects.
This disposition of Carranza forces
has been one of the bases of suspicion
as to his friendly intentions. While
the Mexicans are so posted, officials

WILSON TO LAUNCH CAMPAIGN AT ONCE

WASHINGTON, June 16.—
Plans for the vigorous Demo-
cratic campaign that will be
directed from the White House
will begin to take definite
shape after President Wilson
has conferred with Vance Mc-
Cormick, the new chairman of
the national committee and
other party leaders, probably
next week. The President, it
was said tonight, probably
would receive formal notifica-
tion of his renomination at
Shadow Lawn, N. J.
Hundreds of congratulatory
messages came to the White
House today from all over the
country.
The President's next speech
will be made before the New
York Press Club June 30.

EL PASO TROOPS PREPARE FOR BATTLE

Every Soldier Scurries To
Quarters And Sleep On
Guns, While Juarez Seethes
With Talk Of War

(By Review Leased Wire.)
EL PASO, Texas, June 16.—All
American troops stationed in El Paso
and its environs were ordered to
quarters tonight, to be held under
arms until further notice. The
orders followed reports to military
headquarters that placards printed in
Spanish had been posted in Juarez
instructing citizens to gather at desig-
nated points daily to receive military
instruction that they may be pre-
pared to repel possible invasion. The
notice was signed by Jesus Valdez,
a private citizen, who said he wished
his people to "be prepared in the
event of a break with the United
States."

At the office of General George Bell,
Jr., commanding, no explanation of
the order was given, it being asserted
that the orders were "mere precau-
tionary measures."
Included in the troops ordered to
quarters were several companies of
infantry which have been encamped
in the streets of the city. The provost
for several months has patrolled the
streets of El Paso in co-operation
with the local police, being the only
soldiers remaining in the downtown
district.

El Pasoans Fired On.
A statement issued today by Tom
Lea, mayor, after an investigation
into the recent firing of shots at two
municipal officials of El Paso from
the Mexican side of the line, said if
any further shots were fired at po-
licemen or officials they will be re-
turned.

BATTERY TO FRONT.

(By Review Leased Wire.)
COLUMBUS, N. M., June 16.—Bat-
tery A of the New Mexico national
guard, recently mustered into the
United States service, was ordered to-
day to report for duty to General
George Bell, Jr., at El Paso, Texas.
No explanation of the order was re-
ceived from department headquarters
in San Antonio where available here.
The artillerymen organized at Roswell
probably will entrain tomorrow.

CARS KEPT IN U. S.

(By Review Leased Wire.)
EL PASO, June 16.—As a further
precaution against trouble, street car
traffic from El Paso to Juarez was
stopped tonight.

Reports of a Mexican raid near
Canutillo, about fifteen miles north of
here caused some excitement this
evening, locally until it developed that
the trouble was a private affair be-
tween Mexican ranch hands. Two
Mexicans, after killing a fellow Mex-
ican in a quarrel, were chased by a
sheriff's posse into old Mexico.

PURSUERS LOSE BANDITS BEYOND THE RIO GRANDE

(By Review Leased Wire.)
SAN ANTONIO, June 16.—For two
hours today Major Abenzo Gray
scoured a strip of the country on the
Mexican side of the Rio Grande for
traces of the bandits who yesterday
raided his camp at San Ignacio.
He crossed at Ramadero, six miles
below San Ignacio, with a part of
the two troops of the 14th Cavalry
that fought off Luis de la Rosa's men
Thursday. Most of the bandits are
known to have crossed into Mexico
and Major Gray had received informa-
tion that some of them were con-
centrating on the other side for a
second attack, either on his force, or
the detachment at Zapata, farther
down the river. No trace of the Mex-
icans was discovered, however.

(By Review Leased Wire.)
LONDON, June 16.—The forward
drive of the Russian army in Volhynia
Galicia, and Bukowina continues with
apparently undiminished success.
From the Pripiet Marshes southward
to Czernowitz the forces of General
Brusilov, according to reports from
Petrograd, are throwing back counter
attacks and are advancing. In thir-
teen days the Russians have taken
prisoner almost 170,000 men and have
captured immense stores of war
booby, says the Russian war office.

Battles southeast of Lustk, between
Kozin and Tarnovka and northwest
of Buczacz have brought further suc-
cesses to the Russian arms. In an
action on the Bluchevka river, south-
east of Lustk, more than 500 men
were captured after the attacking
Russians had forced the river. The
fighting continues northwest of Bucz-
acz, where the Germans are co-oper-
ating with the Austrians but the Rus-
sians report the capture here thus far
of 6000 men from the Teutons.

Attempts of the Austrians and Ger-
mans to take the offensive on many
sectors of the long front were re-
pulsed, according to Petrograd. The
Russian war office also chronicles the
repulse of attacks in the region of
Sokol, southeast of Kovel, one of the
objectives of the present Russian
drive. Berlin reports the capture of
400 Russians during an attack on a
German position north of Przewolk.
Around Verdun the French and
German armies were inactive during
the day, there having been only in-
termittent bombardments. Paris says
it has been confirmed that the French
attack of Thursday on the slope south
of Le Mort Homme resulted in the
capture of German trenches on a
front of about two-thirds of a mile.

While London claims further ad-
vances for the British forces in Mes-
opotamia in the region of Kut-el-
Amara, Constantinople asserts the
British have retired from within the
range of the Turkish guns. The oc-
cupancy of Imam Mansur on the
south bank of the Tigris and the push-
ing forward of British trenches to
within 200 yards of the Turks at
Sannayyat, on the north bank of the
Tigris are claimed by London. On
the other hand, the Turks say the
British camp has been removed from
Felahie, on the Tigris below Kut-el-
Amara, owing to the activity of the
Turkish guns against it.

British forces operating in the
eastern part of German East Africa
have made further advances and have
occupied two villages.

America Will Not Shirk Her
Duty, Revolving As Inter-
vention Is, Declares Chief
Executive

PROMISES NATION
HE'LL NOT WITHDRAW

Writes It Into His Democratic
Platform And Will Put It
Into His Note To Carranza
Today

(By Review Leased Wire.)

WASHINGTON, June 16.—President
Wilson today virtually completed his
reply to the Carranza note while its
substance was being written into the
definite form at St. Louis. The reply
itself may not be dispatched for sev-
eral days but administration officials
indicated that General Carranza had
only to read the party's Mexican plank
to learn in advance what the American
note would say.

The plank, framed in a large mea-
sure by the President himself, is taken
from the platform that renewed border
raids and the anti-American demon-
strations in Mexico have altered Mr.
Wilson's determination that interven-
tion will come only if it is forced by
the acts of General Carranza or
through his failure to exercise control
over his army or people.

Put Punch In It.

The platform declaration that inter-
vention is revolting to American minds
is known to be the President's fixed
view, but the plain intimation that it
would not be shifted as a last resort
may also, officially think, serve as a
warning to the Mexican government.
Verbal Lashing In It.
The note, the body of which was
put into final form at a conference
today between President Wilson and
Secretary Lansing, will not be sent, it
is said, until details of the San Ignacio
raid are available. It contains no
statement, it is said, that should
arouse hostility unless General Car-
ranza is deliberately set upon bring-
ing a clash with the United States.
Firm language is employed in refut-
ing the charges and insinuations of
bad faith contained in the Carranza
communication.

As to withdrawal of the American
expedition, the note coincides with
the platform declaration by which the
party pledged itself to maintain
armed forces in the border land of
Mexico until there remains no prob-
ability of bandit raids on American
towns and ranches. It was empha-
sized tonight in administration quar-
ters that the plank left no way open
for a change of purpose in that re-
gard. It may be several days before
full information regarding the San
Ignacio raid is at hand. Intimations
that Carranza officials knew some-
thing of that affair have been re-
ceived and are being investigated.

Officials wish to see also whether
Carranza troops will make any serious
effort to capture the raiders. A para-
graph dealing with this situation may
be added before the note is sent.
A paragraph dealing with this situa-
tion may be added before the note is
sent.

Powers Not Dictating.

Secretary Lansing today denied a
report that Sir Cecil Spring-Rice, the
British ambassador, and several
South American diplomats who called
upon him yesterday, endeavored to
bring influence to bear upon the
course of the United States toward
Mexico. They are understood to have
sought only information as to the
real situation in Mexico. They were
told that the economic difficulties of
the de facto government were in-
creasingly serious, which is causing
alarm among officials here.

Riots Subside.

A message today from Monterey,
where the first anti-American demon-
stration occurred, said normal condi-
tions prevailed, and the excitement
had wholly subsided. The same con-
dition prevails, apparently, through-
out the disaffected area. Officials
now believe that the anti-American
agitation was started because it was
thought the American reply, refusing
to withdraw the troops, would be de-
livered ten days or more ago. Accord-
ing to this view, the agitators
sought to make it difficult for the
Carranza government to avoid com-
plications with the United States, cer-
tain to result in the downfall of the
de facto regime.

U. S. Ready to Strike.

Administration officials still feel
great anxiety as to what the result
may be when the note is delivered.
For this reason, they are taking pre-
cautionary measures, including
preparations for sending refugee
ships to both Mexican coasts, and for
mobilization of part or all of the na-
tional guard. Orders sent to the in-
spector general of the various militia
districts some time ago, instructed
them to see that all was in readiness
for the prompt mustering in of the
state soldiers, should the need arise.
No new instructions have been sent.

SUFFRAGETTES DISGRUNTLED BY PARTIES PLATFORMS

Concessions Made Are Not
Great Enough To Suit Wo-
men, Who Will Renew
Fight In Washington

WANT CONGRESS
TO TAKE A HAND

May Fight Both Republicans
And Democrats; "Have
4,000,000 Voters" And
Make Many Threats

(By Review Leased Wire.)

ST. LOUIS, June 16.—Leaders of
both the Woman's Party and the
National American Woman Suffrage
Association tonight united in denoun-
cing as inadequate the suffrage plank
of the Democratic platform and de-
clared they would immediately re-
sume their fight in Congress for
national recognition.
"We shall return to Washington as
soon as possible," Miss Ann Martin,
chairman of the Woman's Party, said.
"We are going to give the Demo-
cratic Congress one more chance to
make good before adjournment."

"Some of the Democratic leaders
pretend to see a declaration for na-
tional suffrage in the plank they have
given us. I do not so interpret it.
But we shall give Congressional lead-
ers every chance to read that inter-
pretation into it if they want to. I
regard the Democratic plank as weak-
er than the Republican." The pre-
amble of the latter at least, is regarded
by some giving national endorsement
to suffrage.

"Thus far we have not worked out
details of our plans for fighting the
Democratic party this fall, for we
have hopes that the congressional
leaders will see the light. But if
they continue to oppose us, we will
fight them. And it will be a good
fight, too. We have four million
voters, \$500,000 in cash, a good cause
and a determined spirit. With all of
these we cannot help but win."

Immediately after the adjournment
of the convention, Mrs. Carrie Chap-
man Catt, president of the National
American Woman Suffrage Associa-
tion, called a special meeting of her
national board and later issued the
following official statement.

"No suffragette who was present
at the convention today could mis-
interpret either the speeches or the
action taken by the Democratic party
in adopting the alleged woman suf-
frage plank in its national platform."

"The Democrats admitted freely in
their speeches that 'political expedi-
ency demanded some kind of a suffrage
plank' and they thought to hoodwin-
dle the women by a jumble of words
that were designed to meet the situa-
tion, but in no sense succeeded."

"The so-called suffrage plank which
they adopted, after bursts of elo-
quence that were far more frank than
judicial cannot be expected to win
the presidential campaign for them.
But it may well be expected to win
the antagonism of millions of men and
women."

MEXICAN FAMILIES FLEE UNITED STATES

LAREDO, June 16.—Eighty
Mexicans, men, women and
children arrived here late to-
day from Corpus Christi, Texas,
bound for points in Mexico,
and travelling on transportation
furnished by Carranza Gen-
eral Melquiades Garcia, station-
ed here.

The Mexicans were informed
on their arrival by United
States officers and Texas Rang-
ers that they could not remain
in Laredo, and were escorted
to the international bridge
where they were seen to ar-
rive on Mexican soil.

STRIKE MAY BE AVERTED BY U. S.

Railway Employees And Em-
ployers Still Hope For
Peaceful Settlement For
500,000 Workmen

(By Review Leased Wire.)

NEW YORK, June 16.—Although
500,000 strike ballots were ordered
printed here today by the delegates
of the four railroad brotherhoods who
failed to reach an agreement with the
railways in their demand for shorter
hours and higher overtime pay, lead-
ers of the men and representatives of
the railways united in the declaration
that while the situation is serious it
is not hopeless. The ballots are to
be delivered tomorrow and will be
taken by the delegates to their homes
for distribution to expedite the vote.
Both the railway managers and the
brotherhood leaders and delegates
held secret day-long conferences.
They discussed, it was learned, pol-
icies for their future conduct in the
negotiations expected to follow. The
brotherhood leaders are confident that
more than 85 per cent of the men will
vote in favor of the strike, which,
however, according to the wording of
the ballot, cannot be called until all
efforts toward an amicable adjustment
of their differences have failed.

Leaders of the railroads and the
men were reluctant to issue official
statements today touching on the
probability of a compromise, but in-
formal interviews indicated that both
sides look to a settlement through a
mediation under the Newlands act.
The railroads, the employees believe,
may drop at the last moment their
firm stand for the elimination of
"double compensation" rules and con-
sent to arbitrate the questions of
hours and overtime.

"Rather than precipitate a general
strike, brotherhood leaders intimated,
the men might be satisfied with a
nine-hour day and time and a quarter
overtime, instead of the eight-hour
day and time and a half overtime, de-
manded. The vote, leaders expect,
will be canvassed late in July, after
which they will return here."

games, 5-7; 3-6; 6-0; 6-3; 7-5.

SAN PEDRO, Cal., June 16.—(by

Indians have renewed their raids in
southern Sonora, north of the Yaqui
valley. An engagement between a
band of Indians and Mexican soldiers
took place two days ago at Ortiz,
thirty miles north of Guaymas. Eight
wounded soldiers were taken to Guay-
mas. No details of the battle have
been received.

CONVENTION ENDS AFTER ADOPTING PLATFORM

Suffragette Plank Gains Par-
tial Success, Being Recom-
mended To Various States
For Passage

STARTS ONLY ROW
OF CONVENTION

Southerners Declare States
Rights Are Invaded, But
Votes Squelch Them. Ire-
land Talk Howled Down

(By Review Leased Wire.)

ST. LOUIS, June 16.—The Demo-
cratic national convention finished
its work today by adopting the party
platform exactly as approved by
President Wilson and submitted by
the resolutions committee, including
the plank on Americanism and fa-
voring woman suffrage, but not until
the harmony of its three days' ses-
sion had been ripped with a row
over the suffrage plank.

No voice was raised against the
vigorous declarations of the Ameri-
canism plank. At one time it looked
as if the suffrage plank had been
rejected, but after Senator Walsh of Mon-
tana had told the convention that
President Wilson himself considered
it vital to party success it was voted
into the platform by a ballot of 583 1/2
to 181 1/2.

The whole platform then was adopt-
ed without roll call.

As it went into the platform the
suffrage plank stands:
"We favor the extension of the
franchise to the women of this coun-
try state by state, on the same terms
as to the men."

The women suffrage leaders con-
sidered it a much more favorable de-
claration than they got from the Re-
publican convention at Chicago; they
threw all their force behind it and
won the support of the administration
leaders who were found fighting for
them when danger threatened.

Haggard and worn from an all-
night session, the platform makers
were not ready with their report un-
til after noon when Senator Stone,
sleepless for more than 30 hours,
took the speaker's stand and assert-
ing that he was too tired to read the
document, gave over this task to
Senator Walsh of Montana and Sen-
ator Hollis of New Hampshire.

Irish Talk Taboo.

The fight on the suffrage plank was
in the air. Everybody was keyed up
to it and when Martin Lomasney, of
Boston, a delegate, claimed the at-
tention of the chair it was thought
that he was opening the fight and it
was several minutes before the shouts
of approval and cries of disapproval
could be stifled sufficiently to hear
that he wanted to put the convention
on record as sympathizing with "the
people of Ireland."

"Raus mit ihm," roared a Baltimore
delegate and the convention hall
rocked with laughter.

States Rights?

The real fight broke immediately
after, however, when Governor Fer-
guson of Texas, who headed the mi-
nority report against the adminis-
tration plank, was given thirty minutes
in which to present it.

The plank offered by the minority
was this:

"The Democratic party has always
stood for the sovereignty of the
several states in the control and regu-
lation of election."

"We reaffirm the historic position
of our party in this regard and favor
the continuance of that wise provision
of the federal constitution which
vests in the several states of the
Union the power to prescribe the
qualifications of their electors."

With Gov. Ferguson it was signed
by Former Representative Bartlett
of Georgia, James R. Nugent of New
Jersey and Stephen B. Fleming of
Fort Wayne, Indiana.

The burden of Governor Ferguson's
argument was that suffrage, being
purely a states right question, the
working of the majority plank was a
presumptuous recommendation to the
states on how to conduct their elec-
torates.

Anti-suffrage delegates on the floor
plunged the governor with questions
which brought out, in the answers,
fresh arguments against the adminis-
tration plank and when Ferguson
had finished, the convention was in
confusion because every other party
has done the same.
"I ask you," he cried, "if you're go-

ROOSEVELT WAVERING TOWARD HUGHES COALITION LIKELY

(By Review Leased Wire.)

NEW YORK, June 16.—George W.
Perkins, Progressive leader, after a
series of conferences today with
Colonel Roosevelt and with Gov. Chas.
S. Whitman, announced that negotia-
tions were under way looking to a
"restoration of good feeling" between
Progressives and Republicans.

Mr. Perkins said Governor Whit-
man just after the governor had called
upon Chas. E. Hughes. The Progres-
sive leader then returned to call upon
Colonel Roosevelt. He had long talks
with both.

NEW YORK, June 16.—W. Murray
Crane, chairman of the sub-committee
of the Republican national convention
which has authority to select a man-
ager for the Hughes campaign, called

on Colonel Roosevelt at his hotel late
today. Both declined to discuss what
was considered at their conference.

Col. Roosevelt was asked regarding
the progress of negotiations between
the Republicans and Progressives and
was told of Mr. Perkins' statement.
He evinced surprise at what Mr.
Perkins said.

"I know nothing whatever about
that," he declared. "I have nothing to
say. If I have anything to say, I will
say it under my own signature."

Col. Roosevelt's illness it was an-
nounced tonight, is nothing more seri-
ous than a slight attack of pleurisy.
"Colonel Roosevelt has a slight touch
of pleurisy," said Dr. Hubert C.
Guile, the physician in charge of the
case. "His illness is nothing to worry
about. His condition is thoroughly
satisfactory."
